THE PRESBYTERIAN EDUCATIONAL MOVEMENT

Great enthusiasm was generated at the meeting yesterday at 4:30 o'clock, at the First Presbyterian Church campaign headquarters when reports for the first day's canvass totaled \$12,787.

The highest class report was No. 2, under Professor J. Clarence Kenney, with \$1,544; the second class, No. 6, directed by Professor Rudolph Davis, with \$940; the Women's Class, No. 8, under the direction of Mrs. Lucy Tadlock, came in with a total of \$804.00, creating a stir and adding impetus to the other classes of men. The women were cheered and applauded for the excellent showing which came as a great surprise.

The Initial Gifts Committee, under the able leadership of Mr. Wm. C. McClintock, reported a total of \$7,675.

"As people are brought face to face with their obligation and the needs of the institutions to be benefited they are responding with an enthusiasm undreamed of either by the workers or by themselves," said Mr. Owen L. Davis, President of the Classes and Chairman of Organization work. "It is a big lead for the first day on our goal of \$25,000, but there is still much work to be done, as the majority of our Presbyterians are yet to be seen. While it is true there are three days left us keep the ball rolling and make the goal before the whistle blows."

"We are looking forward to a wonderful Victory Celebration," said Mr. M. Peale Collier, Chairman of the Executive Committee, as he smiled with the confident manner of a born leader. "And," he continued, "we expect every Presbyterian and all their friends will join with the workers on Thursday night and share in the laurel of the ultimate victory. There are three days work ahead of us, but remember it takes but one moment to say it and there are four years in which to pay it."

Two great gatherings were the services in the Presbyterian Church Sunday morning and evening. At the morning service the principal address was made by Mr. Thomas B. Talbott, who brought to the Presbyterians of Bourbon county and their friends first-hand facts and information regarding the Mountain Mission Schools.

The evening service, called the Presbyterian Parlay or Congregation Rally, was addressed by Rev. Benj.

FISCAL COURT PROCEEDINGS

At the recent meeting of the Bourbon Fiscal Court, with Judge George Batterton presiding, and a full board of Magistrates present, Magistrate F. P. Lowry made a report on the recent work done at the county jail to make it more secure, stating that the work had been completed in accordance with the terms of the contract. A warrant was ordered drawn for the sum of \$5,694 in favor of the Fries Construction and Engineering Co., which had the contract.

A warrant was ordered drawn in favor of the Bourbon County Road Commission for the sum of \$26,182.33 for expenses and repairs on the roads of the county for the month of August.

The Paris Commercial Club and the Bourbon County Farm Bureau were jointly granted the use of a room in the basement of the court house, to be used as an office, for the rental of \$20 a month.

MASTER'S SALE OF BOURBON COUNTY LAND

Attend Master's sale of 225 acre farm near Clintonville, at the front door of the court house, in Paris, Kentucky, September 16th. See Master Commissioner's advertisement on page two of this issue. Absolute sale and no reservations. (8-12-15)

AUTO CRANK; BROKEN ARM; DOCTOR.

Howard Fightmaster, of Walker avenue, undertook to subdue a cranky Ford, Friday night, while en route to a dance at Shawhan. In cranking the unruly machine, Young Fightmaster's right arm was broken in two places when the machine backfired. Howard says the crank hit him somewhere near Shawhan, and when he recovered consciousness he was in Ruddle's Mills. Both the auto and patient are "doing as well as could be expected."

Jay Bush, D. D., of Lexington, Vice-Chairman of the Joint Commission and Secretary of the Executive Committee. Dr. Bush is recognized not only as an authority on Christian Education, but one of the outstanding leaders of the State.

The congregation was inspired by the presence in the pulpit of their pastor, Rev. T. S. Smylie, who had returned unexpectedly.

SCHOOL NOTES

The Paris High School is opening this week what promises to be one of the best sessions in the history of the High School. To-day was the first day for the Freshman class, one hundred and ten Freshmen started their High School life this morning. Students will be admitted to the Freshman class during the next two weeks, but after Monday, September 25, the Freshman class will be closed for the first semester.

It looks now like the first semester Freshman class will reach one hundred and fifty, comparing last year's first days' Freshman enrollment of one hundred and ten. This morning the Sophomore class will start class work. All Sophomores are requested to be on hand.

Miss Irne Evans, of Lebanon, Ky., graduate of the University of Kentucky, with the B. S. degree, began her work in the Home Economics Department this morning. Miss Evans taught last year in the Stanford High School. During the past summer she took graduate work at the University of Chicago. One course in Household Physics, one in Nutrition, and one in Methods in Methods in Teaching Foods.

Miss Natalee Woodruff, of Eminence, Ky., graduate of University of Kentucky, began her work in French and Spanish to-day.

Friday afternoon and evening a reception will be held at the City School for parents and friends of the school to meet the faculty. The hours are from three to five in the afternoon and from seven to nine in the evening.

I am anxious to have every parent in the city and every one interested in the City School to call during these hours and meet the teachers who constitute the City School faculty this year.

I feel that it is a great advantage to both the teacher and the student for the parents to know the teachers who teach their children.

I have arranged an evening hour that the business men of Paris may have the opportunity to meet the teachers of the City School.

If you have children in any department of the school from the first grade to the Senior class, we want you to come. If you haven't any children at all we invite you to come and encourage this splendid group of teachers by your presence. Remember the day and the hour, Friday, 3 p. m., and 7 p. m.

LEE KIRKPATRICK, Supt.

Misses Sara Power and Lala Wild will open a kindergarten class in the room in the Y. M. C. A. formerly used as the dining room, at nine o'clock this (Tuesday) morning.

An increase of between 150 and 200 over last year's enrollment is predicted for the end of the first week's session in the Paris Public Schools by Superintendent Lee Kirkpatrick. This year's work began on September 5. The real school session will begin to-day, when the kiddies take up their school life in earnest.

The Little Rock Graded School opened with a good attendance. The faculty is composed of Prof. B. M. Roberts, principal, Misses Harris and Sillie Mae Banta, High School; Miss Effie Anderson, Intermediate; Miss Goldie Holtsclaw, Primary; Miss Mabel Templin, of Paris, Instrumental Music and Expression. The enrollment of the school is 150, the largest in its history.

Superintendent J. M. McVey stated that the attendance at the county schools is now the largest in the history of the county.

Both elementary and State teachers examinations will be held at the court house in Paris, September 15 and 16, beginning each morning at eight o'clock.

Rev. Ward Russell has moved from Little Rock to Lexington. Mrs. Russell will be especially missed at Little Rock, where she was teacher of vocal music in the Graded School.

The North Middletown Graded School opened with an attendance of 200, a slight increase over the number at the opening of the school term last fall. The faculty is composed of the following: R. H. Ellett and E. M. Costello, High School Department; R. S. Moore, Seventh and Eighth Grades; Miss Sudie Montgomery, Fourth and Sixth Grades; Miss Josephine Detwiler, Third and Fifth Grades; Miss Mary Ellett, Second Grade; Miss Della Tindler, First Grade. Miss Gussie Kuykendall of Peabody College, will be in charge of the music department.

Paris and Cynthiana are now tied, running neck and neck in the Blue Grass League struggle, as a result of Sunday's game at League Park. Paris defeated Maysville by a score of 6 to 3, in a fast and well-played game, which developed some fine work on the part of both teams. After the second inning Rummage, pitching for Paris, had the Maysville team at his mercy, and had them feeding out of his hand. The game was featured by the fast fielding of the entire team, and especially the work of Hellman and Wunker on ground balls, and Nipper's shoestring catch. The batting of Macke, Naples and Rummage, for Paris, and Harding for Maysville, also featured in the box score of the game. Naples, of Paris, and Boskins, of Maysville, were credited with a home run each. Macke secured a three-base hit. The attendance was, as usual, about the best of any at the Sunday games. The batteries were: For Paris—Rummage and Macke; for Maysville—Boskins and Connolly. The game, which went for two hours, was umpired by Wells.

By defeating the Mt. Sterling team in the game at League Park, Thursday, by a score of 6 to 2, the Mammoths again assumed the lead in the Blue Grass League struggle. Mueller pitched a masterful game and held Mt. Sterling to six scattered hits. The hits obtained off of the delivery of Ferrell, Mt. Sterling twirler, were not very numerous, but they came at a time when hits meant runs. Paris secured its six runs in two innings, getting three in the fourth and three in the seventh. Mt. Sterling scored twice in the eighth. Catcher Klopp, of the Mt. Sterling team, was forced out of the game with a broken finger, and was relieved by rightfielder Alckey, Harrison filling Lackey's position in right. The entire Paris lineup played good ball, Engle hitting out for a home run, and Maples, Cicona and Hellman featuring in the hitting feat. Enthusiastic fans showered Engle with currency and coin, netting the sum of \$30 for his home run. The batteries were: For Paris—Mueller and Engle; for Mt. Sterling—Ferrell, Klopp and Lackey. The game went two hours. Trevall umpired.

Paris "fans" could hardly believe their ears Saturday afternoon when Umpire Wells called it a "single" when Winger, Paris third sacker, hit out a home run, which struck the limb of a tree outside the park and bounced back over the fence. But, as umpires are supposed to know their business and to be all-powerful, the "fans" had to grin and bear it. It all happened in the game at League Park Saturday afternoon between the Mammoths and the Maysville teams. The usual large crowd witnessed the game. In fact, the Paris park draws big crowds at every game. But to resume—The Paris team met defeat in a hard fought game by the score of 3 to 6. Cotter, the latest Paris recruit, was knocked out of the box in the fifth inning, and was relieved by Wells, who held the river boys to only one run. Long hits were made by both teams. Harding, Maysville first baseman, got two triplets out of three hits. One bumped against an advertising sign in the far field, for which Harding may send in his measurements for a new suit of clothes. Hellman, Cicona and Margerum were credited with three-base hits. The features of the game were the fielding of Winger and Hellman, for Paris, and Harding and Bosken, for Maysville. Wells' adverse decision on Winger's home-run hit drew forth caustic comment from the "fans" but the game will not be protested on that account. The batteries were: For Paris—Cotter, Wells and Engle; for Maysville—Miner and Connolly. The game went for two hours, and was umpired by Wells.

In the twelve inning game at Lexington Friday between Lexington and Mt. Sterling, being one of the postponed games, Lexington shut out the Essex team by a score of 1 to 0. The game was a pitchers' duel.

PARIS INVESTORS IN SAVINGS CERTIFICATES

An indication that the government savings plan has taken a very strong hold on the people of Paris, Postmaster Payne announced to-day that during the month of August the sale of Treasury Savings Certificates amounted to \$3,100.

"More and more people are becoming regular investors in Treasury Savings Certificates, due to the fact that they are absolutely safe, pay a liberal rate of interest, have a certain value at all times and can be redeemed at any time prior to maturity," Postmaster Payne stated. He also called attention to the fact that these certificates, if held five years, increase 25 per cent in value over their cost price. They can be secured through the local postoffice in denominations of \$1,000, \$100 and \$25 at cost price of \$800, \$80 and \$20 each, respectively.

between Shaw and Harrison, the Lexington twirler having a shade the best of the engagement.

Maysville and Cynthiana played an exhibition game on the latter's grounds Friday afternoon, resulting in a victory for the Maysville team by the score of 5 to 4. The batteries were—Padgett and Linden, for Cynthiana; Brakefield and Connolly, for Maysville.

Escondida defeated the Spears Mill team Sunday afternoon, on the latter's grounds by a score of 9 to 7. Spears Mills made a determined effort to capture the game, but could not overcome the lead Escondida had piled up. The teams will clash again soon, when Spears Mills hopes to reverse conditions.

GIRL WITH ROMANCE FREQUENT PARIS VISITOR

The romance and subsequent attempted elopement of Miss Carolyn Schuster, eighteen-year-old daughter of W. Morgan Schuster, president of the Century Publishing Co., of New York, has a peculiar interest for many Paris people, from the fact that the young woman has frequently visited Paris, as guest of Miss Mary Ellis, daughter of Rev. and Mrs. W. E. Ellis. The two young women met while at school and afterward while they were visiting in Glasgow, and the friendship developed into a close intimacy.

The news dispatches from Glasgow in the daily papers of Saturday carried the following story of the trials and tribulations of the would-be elopers, who, as is ever the way of youth, may try it again:

"Waiting for their co-conspirators—three boys who were to aid them to elope to Tennessee, Carolyn Schuster, 18, daughter of W. Morgan Schuster, president of the Century Publishing Company, New York, and William Marris, 20, son of a Glasgow merchant, were found to-day by relatives and volunteer searchers at Goodnight, a village eight miles north Glasgow. The couple has been missing since Wednesday night."

"Miss Schuster was returned to her mother, Mrs. Pearl Trigg Schuster."

"The elopers, it was learned, had planned to go to Jeffersonville, Ind., and be married, but this plan was frustrated by the breaking down of their automobile near Cave City."

"They spent the night with the family of a farmer and were waiting for their friends to bring another machine in which they planned to double back on their trail and go to Tennessee."

"A reward of \$100 had been offered by relatives of Miss Schuster for her detention unmarried."

FIRE DESTROYS GARAGE

The garage and two automobiles, belonging to Olan and Richard Boardman, near Little Rock, were destroyed by fire of unknown origin. The loss was partly covered by insurance.
